WRC will honor our standard five-year warranty obligation when a product is ordered and delivered within the EOS to EOL transition period.

Suggested Replacements

Suggested replacements for discontinued products, when possible, are provided on our current Discontinued Products List available for download at <https://www.wrcakron.com/wrc-evergreen>. However, cross references between manufacturers and their products are never an exact match. Several differences may exist that could cause damage to the product, the system or to personnel. Contact the cross-referenced product supplier to determine if the suggested replacements have the features or options you seek.

If you have questions or need more information, please contact your local sales representative or WRC Technical Support by email at Support@WRCakron.com.
